Partial Correction to the Integrated Report 2024

Daiwabo Holdings Co., Ltd.

Below is the correction made to the Integrated Report 2024. We apologize for any inconvenience this may cause.

Page 62: Chemical substance management and pollution prevention

Incorrect: In August 2021, we disposed of all electrical devices containing PCBs, including both low and high concentrations.

Correct: In August 2021, we disposed of all electric equipment containing high concentration PCBs. As for low concentration PCBs, disposal is scheduled to be completed by the deadline stipulated in the revised PCB Special Measures Law.
